DDI 1438-82
19 February 1982

MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

FROM: Robert M. Gates
Deputy Director for Intelligence

SUBJECT: DDI Activity Report - 15 - 19 February 1982

DCI/DDCI-Assigned Tasks

EURA and SOVA prepared talking points on the current situation in Poland and the upcoming Warsaw Pact Exercise for the DCI's breakfast with Secretary Weinberger.

EURA's paper on East European debt and balances of payments was sent to the DCI.

NESA and ALA are continuing to work on the DCI request for a paper on the impact of falling real oil prices on major oil producers. [REDACTED]

25X1

NESA prepared talking points on Libyan meddling around the world and detailed material on Libyan activity in the Middle East at DCI request for an NSC meeting.

OGI prepared a report for the DCI on the recent decision of the Sinai Multinational Force and Observers (MFO) to station troops on the Saudi islands in the Straits of Tiran following the withdrawal of Israeli troops.

OGI, with inputs from the regional offices, prepared talking points for the DCI on Soviet and Soviet surrogates' support for terrorism and insurgency for the DCI's US News and World Reports meeting.

Of Special Interest This Week

EURA conducted a conference on Greek Prime Minister Papandreu's prospects and a seminar on the future of the Communist Party of Italy in which academics exchanged views with Intelligence Community people.

25X1
